

**Minutes of Meeting
Grafton Planning Board
December 14, 2015**

A regular meeting of the Grafton Planning Board was held on December 14, 2015 in Conference Room A at the Grafton Municipal Center, 30 Providence Road, Grafton, MA. Present for the meeting were Chairman Sargon Hanna, Vice-Chair Michael Scully, Clerk Robert Hassinger, David Robbins, and Linda Hassinger. Staff present was Town Planner Joseph Laydon and Assistant Planner Ann Morgan and Office Manager Nicole Larson.

Chairman Hanna called the meeting to order at 7:00 p.m.

1: PUBLIC INPUT

David Libby, of George Hill Road submitted an email to the Planning Department and was present at the meeting to speak to the Board concerning the tree work that had been done earlier that day and several weeks prior, along George Hill Road. Mr. Libby suggested to the Board that the Scenic Road Bylaw in the town need attention. He also made the following suggestions to the Board:

- More clearly define what a “dead tree” is and develop a more specific review process for the Grafton Tree Warden to determine if a tree along a Scenic Road is a “dead tree”.
- Create an online resource for citizens to determine if there are active permits for tree cutting on Scenic Road ways.
- Offer education to property owners on Scenic Roads and inform local tree companies of bylaws for tree-cutting on Scenic Roads.

The Board discussed appropriate steps and legal guidelines for taking trees down on a Scenic Road. Mr. Robbins suggested that the Board become more familiar with Shade Tree Bylaws to clarify and compare the overlap with the Scenic Road Bylaw and also assure and identify how to make a distinction between immediate situations and situations that do not require immediate action. The Board agreed that this topic needs more attention and exposure moving forward.

ACTION ITEM 2B: APPROVAL NOT REQUIRED (ANR) 2015-9: 114 MERRIAM ROAD – FREDERICK AND MARGOT CHURCHILL (APPLICANT/OWNER)

This ANR is one step the applicant is taking to prepare for the common driveway approved under SP 2015-6. This ANR will separate out the town owned parcel from the property approved for development.

MOTION by Mr. Hassinger, **SECOND** by Mr. Scully that the Board find this plan not need approval and instruct the Town Planner to sign and endorse the plan. **MOTION** carried unanimously 5 to 0.

PUBLIC HEARING 6A: (7:30 P.M.) REQUEST FOR MODIFICATION OF A SPECIAL PERMIT (SP 2014-7.1) – ADDITION OF COMPANION HORSE – 15 BLANCHARD RD. – LESLIE & RON ANDERSON (OWNER/APPLICANTS)

Present for the Hearing was Leslie Anderson on 15 Blanchard Rd. Mrs. Anderson gave a review of the requested modifications and the guidelines laid out in the original Special Permit. She noted that the original fencing was moved back from the abutting properties by 15 feet to create more of a buffer zone between the two properties, and also bring the top of the fence to be at eye level with the

nearby stone wall. The applicant is currently mid process in developing the full pasture area for the animals to graze, and expects fencing to be completed early summer of 2016.

Ken Pieciak, of 3 Patricia Drive, spoke to the Board about his concerns of the location of the current paddock and its proximity to his porch. Mrs. Anderson noted that once the final paddock area is completed, the horses will spend most of their time in the rear area of the paddock. Though Mr. Pieciak suggested that the bylaws pertaining to kennels as noted in his email are in violation, Mr. Laydon confirmed that this set up does not qualify as a kennel under zoning by-law, hence the Boards approval of the original special permit for the 2 horses. Mrs. Hassinger suggests adding natural fencing and screening to add a visual and noise barrier between the two properties.

Amy McGuire, of 35 Blanchard Rd also spoke at the hearing to voice her concern with what she perceived to be a strong odor coming from the Anderson's property mid-summer, which then tapered off into the fall and winter with the cooler weather. Using GIS, Mr. Laydon determined the minimal distance between the two properties to be 500 ft. He also noted that the public should feel welcome to contact the Planning Department with any problematic circumstances that may create a potential nuisance, and staff will relay any collected information to then be discussed by the Board.

Mr. Robbins pointed out the purpose of this hearing is to determine the addition of a small additional companion horse, which in his opinion, will not add a substantial amount to manure production. Mrs. Anderson noted that third miniature horse has been present on the property since soon after the first 2 horses were brought in and that the manure production would not increase from the current level, which has stayed consistent throughout the summer months.

Tom Donahue, of 2 Patricia Drive spoke to the Board to voice his concern that there was the notice of a small smell midsummer and his concern with keeping a third horse on the property.

Michael Fleming, of 18 Donahue Lane, addressed Mrs. Anderson and suggested that she not turn the compost pile as often, thus minimizing the smell. The Board suggested that Mrs. Anderson consult David Crouse, Animal Inspector, to discuss best practices with handling the manure produced at her property.

MOTION by Mr. Hassinger, **SECOND** by Mr. Scully, to close the public hearing. **MOTION** carried unanimously 5 to 0.

MOTION by Mr. Hassinger, **SECOND** by Mr. Robbins, to direct staff to prepare a draft of the decision for the application based on the previous discussion. **MOTION** carried unanimously 5 to 0.

PUBLIC HEARING 6B: (7:30 P.M.) SPECIAL USE PERMIT AND REQUEST FOR SITE PLAN REVIEW WAIVER (SP 2015-14) – 22 DONAHUE LANE – MACURA EXCAVATION (APPLICATION) / ALBERT MANTELLI (OWNER)

Present for the hearing was Mr. Macura, of Macura Excavating, who gave a review of the operation proposed for the site. He confirms there would be no changes to the structure of the building other than general upkeep. Mr. Laydon adds that when meeting with the other department heads on this application, no opposition was raised as long as the soil is not disturbed on the property and no site work is done. Due to the property's location to the wetlands, no tree cutting would be permitted.

Wilford Fairbanks, of 4 Donahue Lane expressed his concern for traffic and maintenance on Donahue Road and suggested restricting future use, so to not add to the existing machinery on Donahue Lane. Mr. Macura estimates that equipment housed over the winter months will depart the site early March and his pick-up truck will be in and out daily. Mr. Robbins also requested the applicant submit a traffic estimate in writing for the Board to consider along with the application.

MOTION by Mrs. Hassinger, **SECOND** by Mr. Robbins, to continue the hearing to January 11, 2015 at 7:30 p.m. **MOTION** carried unanimously 5 to 0.

MOTION by Mr. Scully, **SECOND** by Mrs. Hassinger, to instruct staff to begin drafting a decision for this application. **MOTION** carried unanimously 5 to 0.

PUBLIC HEARING 6C: (7:30 P.M.) MODIFICATION OF A DEFINITIVE SUBDIVISION PLAN APPLICATION – “GRAFTON HILL” SUBDIVISION – 12 CLEARVIEW STREET – WESTERLY SIDE GRAFTON LLC (APPLICANT/OWNER)

Present for the hearing was Joe Antonellis, of Mayer Antonellis, Jachowicz & Haranas, LLP who confirmed that the roadway will not be alter from the submitted plan and the applicant has requested the minimum number of deviances from the current Subdivision Rules and Regulations. Mr. Hassinger noted that without waivers requested there would be no president for exceptions to be made. The Board then went through design exception requests with George Connors of Connorstone Engineering. Technical issues with reference to a traffic study were discussed. Mr. Connors informed that the applicant would be requesting a waiver for a traffic study due to the fact that one was done with a previous submission for a larger subdivision for this property. The Board also discussed design elements with Mr. Connors and Mr. Antonellis, included but not limited to the following:

- Roadway construction standards
- Environmental standards
- Community impact
- The Board also requested the applicant to conform to the by-laws for street light installation and consult with the Board of Selectmen for preference on specific requirements.
- Sloped granite for curbing was confirmed by the Applicant.
- The property bounds were discussed as a 1” grade and were viewed as acceptable for marking boundaries of corner lots on the road’s cul-de-sac. Mr. Laydon confirmed he would follow up with Town officials to investigate if this would pose a conflict with the location of fire hydrants.

The Board would like language to be added to the application concerning the proposal for a private way.

MOTION by Mr. Hassinger, **SECOND** by Mr. Robbins, to continue the Public Hearing at the request of the applicant to January 11, 2016 at 7:30 p.m. and instruct staff to draft a decision with the reception of the requested materials.

Mr. Scully noted that the open space should be noted on the plan.

MOTION carried unanimously 5 to 0.

ACTION ITEM 2A: DRAFT DECISION: SPECIAL PERMIT AND SITE PLAN APPROVAL FOR SOLAR FACILITY (2015-13) – 207 PROVIDENCE ROAD – CEC SOAR #1056 LLC (APPLICANT) / ROBERT AND KAREN KELL (OWNER)

Mrs. Morgan gave the Board a review of the drafted decision. Present for the hearing was Greg Carey, of Clean Energy Collective, who provided clarification on the temporary parking for situations where police detail is needed. The Board discussed several edits to the drafts.

MOTION by Mr. Robbins, **SECOND** by Mr. Scully, to approve Findings F1-F30 of the draft as amended. **MOTION** carried unanimously 5 to 0.

MOTION by Mr. Robbins, **SECOND** by Mrs. Hassinger, to grant waivers W1 with language as revised per the discussion of the Board. **MOTION** carried unanimously 5 to 0.

The Board then discussed the option to request a decommission bond for the site as well as the option for a landscaping bond. The Board asked staff to look into the liability of decommissioning such a site and confer with Town Counsel on the rational of such a requirement and/or a lease agreement with solar electric companies, in order to determine who is responsible for solar equipment in different possible circumstances.

MOTION by Mr. Robbins, **SECOND** by Mr. Hassinger, to extend the meeting beyond 10:00 p.m. **MOTION** carried unanimously 5 to 0.

REVIEW AND DELIBERATION ITEM 3A: MAJOR RESIDENTIAL SPECIAL PERMIT (MRSP 2014-10) – “VILLAGE AT INSTITUTE ROAD” SUBDIVISION – D. & F. AFONSO BUILDERS (APPLICANT/OWNER)

The Board discussed the egress connecting the proposed recreation area, noted as conservation area located to the west of the property. Mr. Laydon noted there are trees and natural aspects of this property to be protected, thus the Board’s preference with the Flexible Plan. The staff would like to get a pulse on the Board’s opinions on the areas of concern laid out in the grid. The Board confirms that no particulars from the grid draw any certain attention for concern.

GENERAL BUSINESS ITEM 4A: BILLS

Bills were circulated and signed.

GENERAL BUSINESS ITEM 4B: STAFF REPORT

No staff report given at this time. Mr. Laydon will update the Board via email due to the duration of the meeting. Mr. Hassinger reviewed the updates of the determination made by the Building Inspector after discussion with Town Counsel concerning the proposed Marijuana Dispensary indicating that the Public Hearing for the new business be dropped.

GENERAL BUSINESS ITEM 4C.1: MINUTES OF PREVIOUS MEETINGS: OPEN SESSION MINUTES OF NOVEMBER 09, 2015

MOTION by Mr. Hassinger, **SECOND** by Mr. Robbins, to approve the drafted minutes with discussed edits. **MOTION** carried unanimously 5 to 0.

GENERAL BUSINESS ITEM 4C.2: MINUTES OF PREVIOUS MEETINGS: OPEN SESSION MINUTES OF NOVEMBER 23, 2015

MOTION by Mr. Robbins, **SECOND** by Mr. Scully, to approve the drafted minutes as amended with discussed edits. **MOTION** carried unanimously 5 to 0.

GENERAL BUSINESS ITEM 4C.3: MINUTES OF PREVIOUS MEETINGS: OPEN SESSION MINUTES OF NOVEMBER 30, 2015

MOTION by Mr. Robbins, **SECOND** by Mr. Hassinger, to approve the drafted minutes as amended with discussed edits. **MOTION** carried unanimously 5 to 0.

GENERAL BUSINESS ITEM 4D: CORRESPONDENCE:

No correspondence came before the Board at this time.

5. REPORTS FROM PLANNING BOARD REPRESENTATIVES ON TOWN COMMITTEES AND CMRPC

No reports were given at this time.

ITEM 7: ANY OTHER ITEMS WHICH MAY LAWFULLY COME BEFORE THE BOARD

No other items were brought before the Board at this time.

REVIEW AND DELIBERATION ITEM 3A: OFFICE PROCEDURES (CONT. FROM 11/30/15)

MOTION by Mr. Hassinger, **SECOND** by Mr. Robbins, to adopt the proposed submission schedule. **MOTION** carried unanimously 5 to 0.

ADJOURNMENT

MOTION By Mr. Robbins, **SECOND** by Mr. Scully to adjourn the meeting. **MOTION** carried unanimously 5 to 0.

The meeting was adjourned at 10:28 p.m.
